Are you looking for a way to sanitize your pool without chlorine tablets?

Hayward's AquaRite 900 can be added to your existing pool equipment making it easy to convert your pool from chlorine to mineral salt. Install the unit, add minerals and turn the unit on. Simple! Make as much natural chlorine as you need, while eliminating the use of tablets, shock and algaecide. What are you waiting for? Ask us how you can start enjoying truly pristine water with just a flip of a switch!

Looking for the most efficient way to extend the season?

Consider a Hayward Summit XL heat pump. Enjoy spending more time actually using your pool by adding months to your swimming season. All Summit XL models provide thermally efficient heat pump technology that reduces energy consumption. Offering an industry leading warranty, 5 years on parts and 2 years on labor, what are you waiting for?
