

# 2023 POOL OPENING CONTRACT

**Winter Cover Removal:** Includes removal from pool, folding & storage in designated area.

**Re-Assembly of Filter System:** We will remove winterizing plugs, re-install filter, pump, heater, check fittings and start system (**As long as water is at operating level; mid-skimmer**)

**Chemical Treatment:** Pool water will be shocked and receive an algae treatment, (**Opening Chems are additional, See Below**). We will take a water sample & test in our Computerized Water Analysis Lab. You are invited to our showroom where one of our trained chemical professionals will instruct you on balancing & maintaining your pool.

**Accessory Items:** Ladders and rails will be installed at this time if accessible.

## 2023 Initial Vacuuming Contract

Vacuumping with Hat City Pools own equipment will only be performed when the bottom of the deep end can be seen clearly. Please schedule with pool opening if applicable. This service is an additional \$129.00 per hour plus tax. (Minimum of 1.5 hours) Vacuuming is typically one week after pool opening. Initial cleanings are intended to remove heavy debris and sediment only and are not guaranteed to clear all debris from the pool. A touchup cleaning may be necessary, which if needed will be additional.

## 2023 Pool Service Programs

We offer flexible service schedules to fit your individual needs. Below you will find a list of programs offered. Select the best maintenance program for you. Please call us if you have any questions.

### Service includes:

- Pool vacuuming, regular maintenance on filter system and backwashing if necessary.  
(Up to one hour)
- Water testing; pool will be balanced based on the program selected.  
(Samples return to our showroom for computer analysis)
- We will add chemicals as needed. A stock of maintenance products will be left at your residence for our use and replenished as necessary. These are an additional cost to the program selected.  
(Types of chemicals on hand would include: chlorine, shock, algaecide and salt if required)

### Programs offered:

(Please Check One)

**Weekly service:** Normally takes place on a specific day of the week. Water is balanced twice a month.

(Balancing chemicals and parts necessary for repairs are additional)

**Bi-Monthly service:** Normally takes place twice a month. Water is balanced once a month.

(Balancing chemicals and parts necessary for repairs are additional)

Homeowner responsible for maintaining chemicals and equipment on the off week.

**As needed/ per call basis:** Just give us a call. No need to commit. You let us know when you could use our service. Water is typically not balanced, but you can obtain a copy of the analysis report from our showroom any time.

**Rate of Pool Service: \$125.00 per man hour**

**(After 1 hour, billed in 1/2 half hour increments)**

**Upon acceptance of this service contract we ask that you provide us with a credit card. This card will be kept on file and charged during the current pool season for services rendered.**
